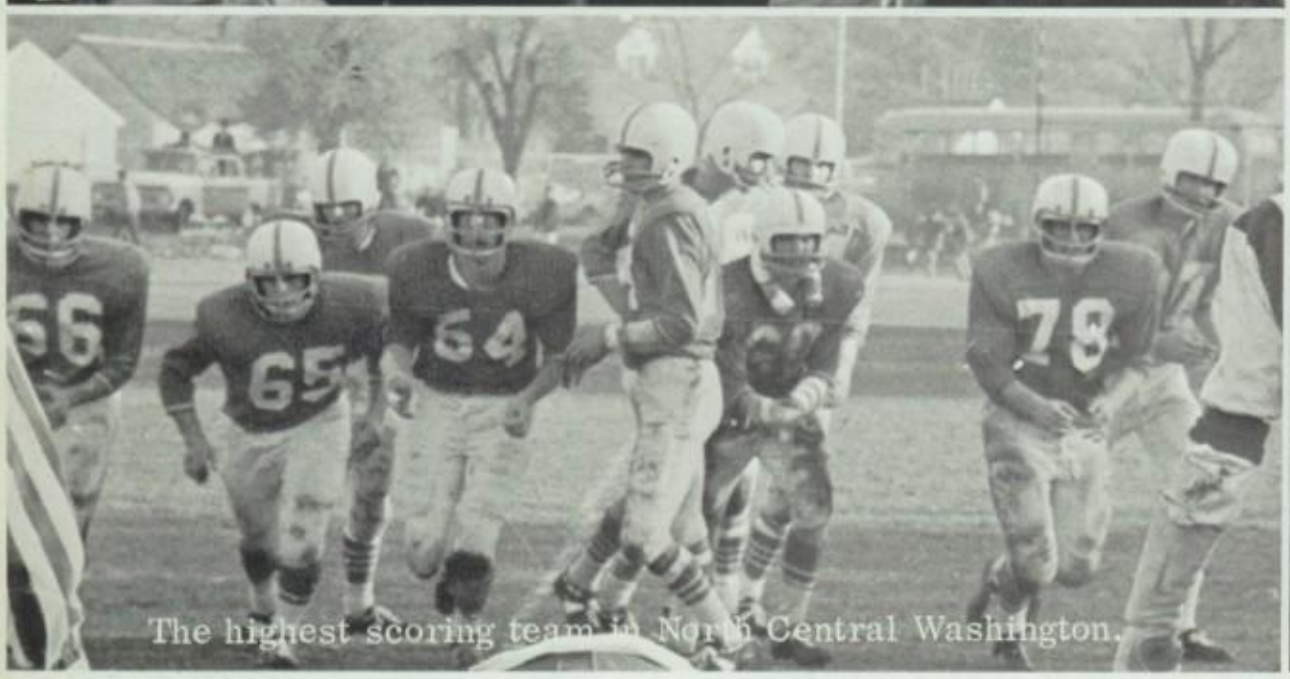
Coach Collins

The Bronze Shoe is ours.



The highest scoring team in North Central Washington.

Coach Makela and Coach Wiggins.

The 1969 Cashmere football team finished the season with an 8-1 record and placed second in the Caribou League. Cashmere defeated Cle Elum for the season opener and then beat Coulee Dam 34-0 for Coach Collins' birthday. After losing to Okanogan, Cashmere became unstoppable, rolling over five straight teams. The Bulldogs smacked Tonasket 34-6 before the Homecoming crowd, and then tromped Omak 46-14 for a scoring output record.

Cashmere finished their glittering record by defeating Chelan in the Veterans' Day football game. The Bulldogs broke the game open in the second half to go on to win 22-8, and after two years return the Bronze Shoe to Cashmere.

Cashmere qualified four offensive and five defensive players on the Caribou All-League team. Offense: Steve Dugwyler-center, Tom LaVigne-guard, Ken Doane-quarterback, and Keith Wiggins-halfback. Defense: Mark Mayer-guard, Darrel Worley-tackle, Tim Larson-end, Keith Wiggins-safety, and Steve Goetz-halfback.

At the Bulldog Booster Club Banquet Keith Wiggins received the Inspiration Player Award, Dave Tosch, a three year standout, received the Honorary Captain Award, and Bob St. Dennis received a Coaches Award for his three years as an outstanding manager.

HOMECOMING 1969

Queen Sue McManus, King Dave Tosch, and Princesses Chris Ahrens and Sharon McKee reigned over the 1969 Homecoming activities. After a week of preparation the Royalty was crowned during the Homecoming assembly while Mr. Rob Todd spoke on what school was like in 1949. After Cashmere had built up a substantial lead, the Royal Court was presented to the community and Alumni. At the end of the game the Bulldogs had romped Tonasket 36-6. The evening of excitement was capped off by the Homecoming dance with music by the Double Image.

The rebounding strength of Alan, Ron, and Darrel.

After suffering five disappointing seasons, the Bulldogs combined the talent of the underclassmen with the experience of the returning lettermen to come up with a 10-10 season. Cashmere blasted through Jamboree and then entered the Christmas Tournament by disposing of Sultan in the first round, and then defeating P. D. 52-48, for the championship. With the support of the community, the student body, and the instruction of Coach Cummings, the Bulldogs rose to third place in the Caribou League and thus gaining a district berth. The Junior Varsity finished first in league play with a 14-0 record, and were 16-2 overall.

At the Bulldog Booster Banquet Mark Mayer received the Inspirational Player Award and Ron Bromfield received the Honorary Captain Award.

SALAD DAYS

The Dramatics department of Central Washington State College joined 80 members of the drama and music department of CHS to produce the British musical comedy SALAD DAYS. After much time and effort on the part of all members of the cast and production crew, the play was a smash hit. During the week of practice preceding the presentation of the play on November 21st and 22nd, the students from Central held a workshop for all of the CHS participants. The workshop included instruction in makeup, acting, stage crew, dancing, singing, and costuming. All in all, the play was one of the highlights of the drama club for the year, and will be remembered by all participants.

My senior

a sophomore. Well that's
my life story. I hope you'll
do well in drama, if you want.
Good Luck

Kathy,
I don't know
you very well but
it's been nice knowing
you anyway. Good Luck this
summer. I will not have you in
Society next year so I won't miss
you too much.

Kathy,
I'm really glad that you came into our
choir this year. I hope that Wenatchee
High School has been able to add something
to your life. I'm sorry that we didn't
get to know each other better but with Mr.
Jones as director there's not much extra
talking done. I'm sure you know what I mean!
This seems funny to be writing in a Yearbook
annual but I guess it doesn't make much
difference we still get the point across.
You have a really unique personality. You
always seem so different and really do your
own thing. I admire that in a person. I
hope you will be happy here in Wenatchee and
I want to wish you luck, and happiness
throughout the years. Good Luck"

Dear Kathy,
Gee, we've had so much fun together, and I'm sure we will have lots more fun next year in Wind Ensemble. Will really have to work for it - And this year. Both of us all year in the same section will just be too much for him - And this past year, remember the hours together - getting blisters on our feet from marching. One year was enough, right?!?! And all of our beautiful music together - remember!! Also keep up your acting - you're really great. Good luck in the future!

KATHY —
You were a fine addition to choir this year. I wish you much success in your Jr. + Sr. year.

Sincerely
Mr Ron Jones

Keep up the good work and your interest in theater arts. You'd be a good Thespian!

sincerely,
Mrs Pauline Peterson

Well, you finally caught me and got me to sign your annual. Are you satisfied? After marching and playing and playing and marching and staying awake and marching, I don't have that much energy to write that much that makes much sense. So Don't try to figure out what I've written. It's as hard as Finnegan's Wake, and that's a 600 page dirty novel that nobody understands.

Your one and only pornography writer.

Kathy, Glad you got to CHS anyway. Sorry to hear it. Hope you don't get up tight. You're a sweet person. Try to stay out of trouble and have a nice summer. Love you.

In two more years, you will be sitting in with the multitude of seniors graduating, instead of sitting in the stands and doing the same thing. Have fun this summer and because of those "cool" days you're not looking. When you're the worst kid, Hit the sand and sunning and play up a storm. You will go well. Keep up the good work and all you care to you will be 7! because I'll be Delnora '72

Kathy,
I haven't known you to long but its been fun in P.E. and next year we should really tease Alisha B. Because she's been mean to me.

Well, it ~~should~~ sure is hot outside and I can't wait till Wednesday.
You are a very nice person even though I'm not. But its been nice knowing you

Hi long lost stranger,

It's been so long I bet you are going to have to come & see me. It seems kind of funny without you, but I am glad you are happy but sad you are gone. I hope I can see you soon so we can find out all the latest gossip. I would tell you, but you can't write that kind of stuff in annuals. It's not very nice. I sure think about you alot & hope to see you soon.

Love
